3000 Series

Intercoms

The 3000 Series intercoms are manufactured in white ABS shockproof plastic. All intercoms in this series, have a minimum of a "door open" button and a "service" button (except the Smart line Intercoms which can have a "door open" button or both "door open" and "service" button). For compatibility with older systems, Videx have made several models with AC Buzzer (12Vac) in addition to the standard electronic call tone.
